General Work Experience

- **CA Science Center Technical Asst II 2019**
As IT Assistant I worked under the head of IT Support, repairing and rebuilding computers, mass network troubleshooting, and installing operating systems and software and setting up workstations for employees
- **Farmers Market Vendor 2016 - 2018**
Held a lead position as Berkeley Farmers Market Vendor for River Dog Farms in Berkeley CA. Responsibilities included memorizing prices and information for a large variety of produce, maintenance of the stand throughout the day including set-up/break down, and cashier work.
- **Carpentry Internship 2015**
Conducted a summer internship for a German carpentry firm. My work included assisting in the construction of showrooms and storefronts for a variety of customers including Nike, Mazda, and Converse. Alongside construction experience, I developed a strong attention to detail and insure full satisfaction from clients. The internship employed me across 5 European nations and forced me to work with clients that spoke a variety of languages.
